| Make Up Available & Strength | Roll ca. 100m x 90cm | white & black: | 80g/m ³ |
| | Roll ca. 200m x 90cm | white & black: | - 50g/m ³ - 60g/m ³ |
| | Sixpack Rolls: 6 x ca. 50m x 30cm | white & black: | 50g/m ³ |

Features

- Cotton Soft is very easy to tear away in both directions.
- Compared to cut away and tear away backings in other material composition, Cotton Soft has to be framed with more care. Don't frame it too tight and don't try to pull it at the edge after it has been framed. It might tear easily!
- Once washed, Cotton Soft might leave few residues on the back of the embroidery, but they will feel like wadding. The embroidery itself will feel very soft.
